

Linden Avenue North Complete Street

Project Fact Sheet – December 8, 2010

Project Location/Description

The project is located on Linden Avenue N between N 128th and N 145th Streets. It will improve pedestrian and bicycle safety, complete the missing Interurban Trail link, improve drainage and redevelop the corridor as a Complete Street.

Project Goals/Objectives

- Improve pedestrian safety/travel in the corridor
- Improve bicycle safety/travel in the corridor/connect Interurban Trail missing link
- Sustain a vibrant neighborhood by making Linden Avenue N a Complete Street through redevelopment of the roadway, consolidating access, upgrading utilities, adding street trees & landscaping, lighting and amenities.

2009 BCC Comments Previously Included in Revised Design for Total Corridor

- ☒ Add pedestrian crossing near Community Center
- ☒ Enhance pedestrian safety through making sidewalks, ramps and curbs continuous between N 128th and N 145th streets
- ☒ Enhance biking safety through buffered bicycle lanes separated from pedestrians
- ☒ Make bike and pedestrian connections to Interurban Trail/fill in the missing link
- ☒ Control/define on-street parking
- ☒ Clean up/beautify Linden Avenue N
- ☒ Add street tree and landscape planting
- ☒ Improve street and pedestrian lighting
- ☒ Calm traffic speed
